**Subject: ADMINISTRATIVE ORGANIZATION PLAN**

---

1. The authority of the Board of Directors shall generally be exercised through the Executive Director. However, nothing in these Board of Directors policies shall be construed as preventing or limiting the Board of Directors from acting otherwise at its discretion.

2. The Executive Director shall have the authority to organize and reorganize lines of authority and administrative staff as he/she determines appropriate, subject to Board of Directors review and subject to any other Board of Directors directives or requirements.
